

Encourage. Inspire. EmpoWEr.

MISSION

Revolutionizing traditional education by providing school systems with instructional strategies & practices, professional knowledge, and advocacy & empowerment. Our continuum of services, which integrate face-to-face and remote learning platforms, provide in-depth solutions that advance student achievement.

VISION

GCG is an international consortium of elite educational practitioners and consultants dedicated to dramatically changing education and life outcomes for children of color and underserved students.

MOTTO

The Educational **Revolution**: Rethink Education.

Global Consulting Group: Menu of Services

Areas of Service	Summary	Deliverables	Delivery Platforms
<p>Strategic Analysis/ Planning</p> 	<p>BER Global Consulting Group assists in designing and developing comprehensive strategic plans, which provide a clear course of action that guide districts in measurable, attainable outcomes focused on improving areas of critical need.</p>	<ul style="list-style-type: none"> • Reentry, Recovery, Responding, & Rethinking School: A Post Pandemic Equitable Plan • Cycle of Academic: Planning to Ensure That all Students Learn • Delivering on the Promise of Student ACHIEVEMENT in Inner City Schools • K-16 Instructional and Integration Model 	<p>GCG provides a comprehensive plan for implementing Multi-tiered Systems of Support (MTSS) across all campuses. MTSS leverages the principles of Response to Intervention (RtI) and Positive Behavioral Interventions and Supports (PBIS) and further integrates a continuum of system-wide resources, strategies, structures, and practices to offer a comprehensive and responsive framework for systematically addressing barriers to student learning.</p>

**Professional
Development/
Coaching**

BER Global Consulting Group provides school systems with highly qualified educational practitioners who will design specialized content that will increase educators' knowledge and enhance their professional skills; deepen educators' understanding and appreciation for the varied needs of students; and enhance educators' capacity to facilitate the learning success of all students.

GCG assists administrators, instructional coaches/lead teachers by supporting them as a building level mentor, provider of resources, assessment coach and data coach, and curriculum and instructional specialist. Our services include onsite (job-embedded) and virtual training, coaching, consultation, modeling, and technical assistance.

<p>Social Emotional Learning</p> 	<p>BER Global Consulting Group assists school systems in developing customized SEL plans and activities that are designed to cultivate processes through which children and adults understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.</p>	<ul style="list-style-type: none"> ● Creating Community in the Classroom ● EMotives: The Truth Behind Student Behavior ● ParentPower: The Keys to Your Child's Academic & Social Success ● Stop Dribbling Footballs (a children's book for code switching and Social emotional) ● I.M.A.G.E. of Success Social Emotional Learning & Engagement System ● Male Leadership System ● Silent Referral ● Improve student learning through appropriate accommodations, modifications and other supplementary aids ● Ensure that students with disabilities have access to the general education curriculum through inclusive best practices ● Review of service delivery model to ensure effective instructional practices can be delivered 	<p>GCG will work with teachers and administrators through customized professional growth plans. Coaches will coach, co-teach, and model research-based strategies to produce positive results and build capacity. This is accomplished by working with schools/districts to customizing plans, based on their unique student population and resources,</p>
<p>Culturally Relevant Pedagogy</p> 	<p>BER Global Consulting Group assists school systems with designing formalized training that will enhance the quality of culturally relevant teaching/pedagogy. Culturally relevant/responsive teaching is a pedagogy grounded in teachers displaying cultural competence in a cross-cultural or multicultural setting.</p>	<ul style="list-style-type: none"> ● Creating a Culture Where Teachers, Students, and Parents are Excited about School ● Education for Transformation: Culturally Relevant Instructional Strategies for Increasing Student Achievement ● MASTERPrograms ● (Making Academics Social, Transformative, Engaging and Relevant) ● MASTERConsulting (transforming math programs to be Culturally Responsive and Building Students' Emotional Capacity for Math) ● Climate & Culture are a Reflection of MY Leadership, Principal Kafele's 10 Non Negotiables for Effective School Leadership 	<p>GCG will work with teachers and administrators through customized culturally relevant/responsive plans. Practitioners will coach, co-teach, and model research-based strategies based on each school's unique student population.</p>
<p>Stakeholder Engagement</p> 	<p>BER Global Consulting Group assists school systems with designing formalized processes and provides a variety of specialized training that will ensure that all stakeholders are engaged in the educational process.</p>	<ul style="list-style-type: none"> ● Poverty Mindset ● Adult Mental Health First Aid ● What's Your FLAVA Personality Assessment ● Project R.I.S.E. (youth character development) ● PowerEngage System ● Board Coaching 	<p>GCG will engage all stakeholders, including community, faith-based, corporate organizations and elected officials to form alliances in sharing the responsibility for closing the achievement/attitude gap.</p>

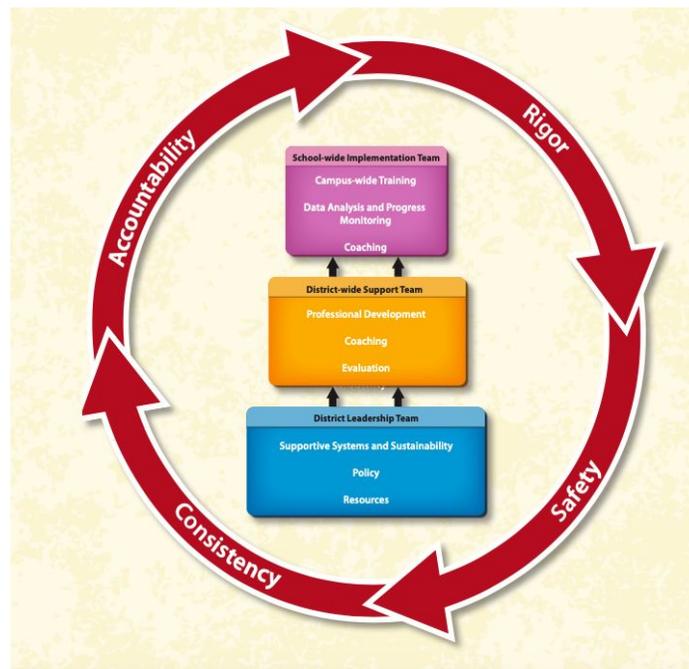

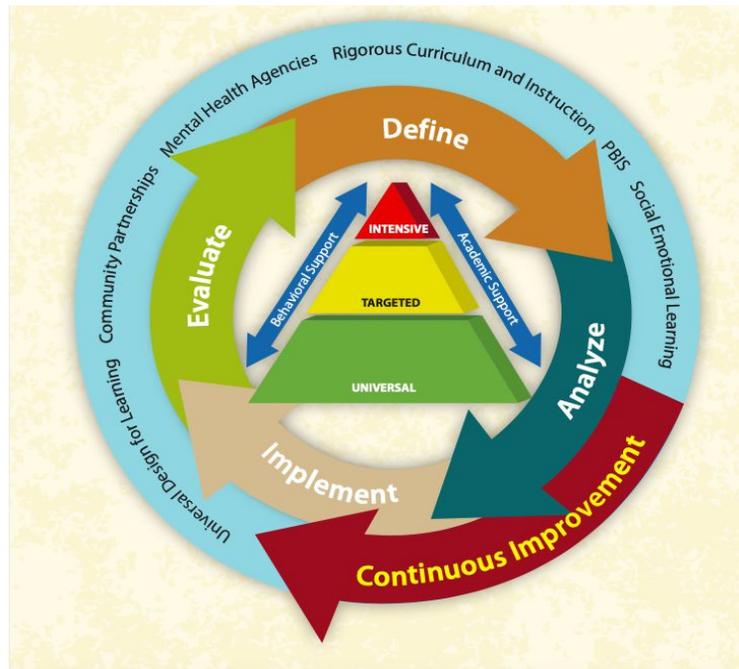

Remote Instruction, Learning, and Engagement

BER Global Consulting Group assists school systems with equipping teachers with the mindset and skills needed to create positive blended learning experiences for students in order to ensure the school community can effectively adjust to any unforeseen changes in the locations in which teaching and learning take place.

- Developing from Within and Without: Improving the Quality of Instruction for Remote Learning
- Simulation Training
- MASTERTeacher Online Training Certificate Program

GCG designs formalized plans that provide direction, information, and resources to ensure all teachers are professionally trained and supported to provide high quality instruction, while providing the social emotional and cultural support students need in an online or distance learning environment.
